

MEMBERSHIP APPLICATION

Membership Qualifications and Grades

A PROFESSIONAL ENGINEER MEMBER shall be a Professional Engineer as defined by the holding of a valid license or certificate of engineering registration issued under the laws of any state, territory, possession or district of the United States or Canada.

AN ENGINEER INTERN MEMBER shall be an Engineer Intern, or equivalent holding a valid certificate issued under the laws of any state, territory, possession or district of the United States or Canada.

AN ASSOCIATE MEMBER shall be a graduate engineer qualified to be admitted to examination as an Engineer Intern as defined in Chapter 471.013 of the Florida Statutes but who does not hold a valid certificate as an Engineer Intern-in-Training in any state, territory, possession or district of the United States or Canada.

A RETIRED MEMBER shall be fully retired from the practice of engineering and/or active practice and (a) be at least 62 years of age and have paid dues for the 5 preceding years; or (b) be at least 58 years of age and meet the years of continuous membership set forth in the Life Membership requirement.

A RESPECT MEMBER (Retired Special Transfer) (a) shall be at least 65 years of age, (b) shall have retired from the active practice of professional engineering, and (c) shall have been made a Life Member of the National Society of Professional Engineers through his membership in a State Society other than the Florida Engineering Society.

FES DUES STRUCTURE

The Florida Engineering Society collects and distributes dues for your FES, NSPE, local chapter, and state practice section memberships. All FES members residing in Florida belong to NSPE, a local chapter and a state practice section.

Membership Year

The FES dues year begins October 1 and ends September 30. National dues are collected and forwarded to NSPE in compliance with their dues year which runs from January 1 through December 31. Dues payments are due on October 1 each year and are prorated for new members on a quarterly basis as follows: *(Dues are Prorated for New Members)*

State and Chapter Dues

October 1 - December 31	Full year
January 1 - March 31	3/4 year
April 1 - June 30	1/2 year
July 1 - September 30	1/4 year

National Dues

October 1 - March 31	Full Year
April 1 - September 30	1/2 Year

Dues Structure	FES Dues	+	Chapter Dues	+	NSPE Dues	+	Practice Section Dues:
Recent Undergraduate*	\$ 65.00	+	See Chart	+	\$46.00	+	Professional Engineers in Private Practice (PEPP) \$12.00
Professional Engineer	\$130.00	+	See Chart	+	\$92.00	+	Florida Professional Engineers in Industry (FPEI) \$12.00
Engineer Intern	\$130.00	+	See Chart	+	\$92.00	+	Florida Professional Engineers in Government (FPEG) . \$12.00
Associate	\$130.00	+	See Chart	+	\$92.00	+	Florida Engineers in Education (FEE) \$12.00
Retired Member**	\$ 65.00	+	See Chart	+	\$46.00	+	Florida Engineers in Construction \$12.00
RESPECT	\$ 22.00	+	See Chart	+	None	+	None

(Select One)

*If you received your undergraduate engineering degree within the last five years, you qualify for this discount.

**Retired Members pay full dues for five years before the reduced rate can be applied.
